

BERGER®

QUALITY BUILDING PRODUCTS SINCE 1874

gives you

7

GREAT REASONS

to install copper gutters and downspouts.

- 1** Lasts longer than other metal gutter & downspout systems.
- 2** Copper roof drainage products do not rust or pit like ordinary metal gutter products.
- 3** Soldered seams make copper gutter a truly seamless gutter system.
- 4** Copper accessories for mounting the roof drainage system are stronger and last longer than ordinary metal accessories.
- 5** Copper creates a dramatic look while enhancing the beauty of your home.
- 6** Copper products acquire a warm patina look with age.
- 7** Copper adds value to the property.

For over 130 years, Berger has been manufacturing quality assured roof drainage systems with the largest selection of styles in a variety of metals. An extensive line of accessories are also available. *On your next roof drainage project, take advantage of the features, advantages and benefits of a copper gutter system!*
