Why Berger

Since 1874, Berger has solidified its position as a trusted leader in the roofing industry. Our unwavering commitment to excellence, top-quality products, and exceptional service has made us the go-to choice for valued customers. With an extensive range of solutions, Berger offers a comprehensive selection to meet diverse roofing needs.

Profile

(Nominal Dimensions)

Key Features

- 3/8" pocket width grips panels firmly to help prevent sagging, misalignment or movement caused by wind.
- Made of high-grade aluminum to prevent warping, shrinkage, or expanding with seasonal temperature swings—ensuring a sleek architectural look year-round.
- Available in 12 industry-standard colors and pairs perfectly with our T4 Premium Soffit.
- Ideal for new builds or replacement work.
- Rust-resistant, low-maintenance finish.
- Streamlines color matching for contractors.
